## WORDPRESS DEVELOPER

My name is Mehedi! I'm a freelance Web Designer and WordPress Developer. My job is to build your website so that it is functional and user-friendly but at the same time attractive. I have a strong passion for the creativity and discipline that goes into front-end-development. Keeping in mind scalability and clean code that is maintainable and readable. By night I spend my time working on freelance projects and building my own products.
